

Merry Christmas 2019

18 December 2019

Dear colleagues,

Merry Christmas to you, to your families, to your associations! The Child Jesus, the Emmanuel, shows us the way of regeneration, of brotherhood and humility. We have come a long way together, but we still have a long way to go for an evangelical, welcoming, fair and just Europe. We can do a lot because this is a time of testimony, of facts, not of simple words and speeches. This is a time of concreteness, of the incarnate Gospel. Then, good road, good mystery of the incarnation, good encounter with God, face, body and heart of every man!
