

Merry Christmas 2020 !

Dear Colleagues,

In this time of precariousness and difficulty for the world and for our Europe, I wish to extend to all of you and your families my best wishes for a Merry Christmas and a peaceful New Year, free from Covid. On Christmas night, in front of the crib, I will pray for all of you, for your sick, for your families, for our beloved Europe. I hope to see all FEAMC members again in Rome in September 2021 and, if possible, even sooner. A warm greeting in Christ, the sure hope of humanity.
